AWARD CONDITIONS

1. AMENDMENT

All changes to the award conditions are noted below.

1. *Scope of Work*

a. **Chistochina Primary Care Facility Design**

This amendment creates a new project (#AN-09-GL4) for the Design of the Chistochina Primary Care Facility, and authorizes the Alaska Native Tribal Health Consortium (ANTHC) to proceed with this project.

This design project will be directly managed by ANTHC, who will ensure the participation of the Mount Sanford Tribal Consortium and the Denali Commission throughout the design process. Additionally, the Commission requires that the design integrate Green Design elements, and will require the involvement of the Foraker Group's Pre-Development Program in the design process.

Funding in the amount of \$419,720 is provided, which includes \$334,288 for Design, \$20,466 for the Environmental Determination Preparation and \$64,966 for Project Management fees.

Funds for this amendment are from the remaining unallocated balance on Award 185-05.

b. **Juneau Family Health & Birth Center**

This amendment serves to create a pass-through Award from Alaska Native Tribal Health Consortium (ANTHC) to Juneau Family Health & Birth Center (JFHBC) in the amount of \$250,000 to provide funding for the final construction phase of the Center's facility. Specifically, the funds will be used to pay off the Rural Community Assistance Corporation (RCAC) loan obtained during the active construction phase.

ANTHC's role in this pass-through award does not extend to oversight of the final constructed facility. That role was filled by the project manager secured by JFHBC during construction.

JFHBC has documented match (\$2,280,223) for the construction project (total cost

c. Anesia Anahonak Moonin Clinic Repair and Renovation, Port Graham

This amendment serves to create a pass-through Award from Alaska Native Tribal Health Consortium (ANTHC) to the Native Village of Port Graham in the amount of \$79,973 to fund the scope of repair and renovation work proposed – renovating 989 square feet of space in the clinic to accommodate dental health services.

In order to achieve the best value for the government, the Commission supports the Native Village of Port Graham employing a sole source contract with North Pacific Rim Housing Authority, providing the Native Village of Port Graham documents and defends the use of the sole source vehicle, obtaining the highest level of authorization from within their organization, and that they retain that documentation with the contract files.

The Native Village of Port Graham has secured the required match from the Native Village of Port Graham and Chugachmuit in the amount of \$19,973.

Funds for this amendment are from the remaining unallocated balance on Award 185-05.
